

Application No.: 10/039654

Case N .: 53750US002

Remarks

The Advisory Action states that the amendments would not be entered because the claim amendments recite a structure that was not been previously claimed.

The Applicant would like to bring to the Examiner's attention that original dependent claim 8 was incorporated into each of claims 1 and 15. Accordingly, amended claim 1 now recites the same structure as original dependent claim 8. This is not a "new" structural limitation.

Reconsideration is respectfully requested.

Respectfully submitted,
